# GIVING CHILDREN A CHANCE

## Help bring the Budidampadu project to the finish line!

Construction of the Budidampadu boarding home is almost complete, with a target date of January 2008. The building will house 100 of the poorest orphans and abandoned children in the region. AMF needs to raise \$6,000 to fund the final phase of installing the bathrooms and kitchen. The pictures below show the status of the building as of September of this year. Please help AMF bring this project to the Finish Line! We so appreciate your support.

*Thank you kindly for your generous donations to my foundation. With your love and support, many young children in India now have housing, clothing, and hope for the future. We cannot help everyone, but we can do our part. With your help, we are making a difference.*
