## MARCO/LAURA/SALLY/DELTA/HANNA/ISAIAS/ZETA

The Gulf Coast has been a punching bag during the 2020 catastrophic hurricane season. In combination with COVID-19, suffering has been immense and emergency resources have been strained. The Andrea Miller Foundation (AMF) has and will continue to focus our time, energy and resources on helping those who were devastated.

The AMF provides food and financial support for children and low income families that have been impacted by these terrible storms.

AMF volunteers delivered bulk supplies to food banks. We also support/sponsor:

- Second Harvest Food Bank of Greater New Orleans. Founded in 1982, they lead the fight against hunger.
- Café Reconcile, a restaurant serving staples to those in need, cooked by at-risk youth receiving job training.
- Harry Chapin Food Bank and FISH (Friends in Service Here). Two organizations which support low income families with food and services during the COVID-19 pandemic.

ANDREA MILLER & SEIZURE ASSIST DOG DRAKE

### ANDREA'S HEALTH UPDATE

Drake passed away on June 24th. It was difficult to say goodbye, as we bonded for years.

In 2019 after a major stroke, doctors put a stent in a closed artery; however they found many small vessels deep in my brain also closing off. I continue to suffer periodic small strokes, but miraculously new vessels are forming. I do continue to be seizure free!

Thank you for your continued thoughts, prayers and support. God is always good, spreading blessings to us, even where there is sorrow!

Love, Andrea
